

Easy clip in design
Data module Cat 5e using keystone module
IDC 110 type terminations
Durable polycarbonate construction

Material Properties:

Module Polycarbonate or ABS

Installation:

Pattress Box Min Depth 29mm

Back Box Min Depth 35mm

Operational Standards:

Operating Environment - 40 ~ + 70
Current Rating 1.5A
Voltage Rating 125VAC
Current Isolated Resistance Min 100M
Current Resistance Intensity AC1000V (50-60Hz/min)
Contact Resistance Max 20m

Design Specification:

TIA/EIA T568A/B
Dimensions Length 50mm Width 25mm Depth 35mm.
Weight 0.015 kgs / 1 PCs
