Product Information Sheet

55-662 AUTOMATIC CABLE STRIPPERS

DESCRIPTION

These strippers have blades to suit most of our audio cables, and in a single action neatly remove the insulation, leaving conductors exposed. They also neatly remove the outer jacket and screen in a single action, on FST and KST cables.

This tool strips has cavities to strip the following:

Diameter (mm)	Section (mm2)
0.8	0.5
1	0.75
1.4	1
1.8	1.5
2.3	2.5
2.8	4
