Product Information Sheet

DVI ADAPTERS - FEMALE - BACK TO BACK

48-640 ADAPTER DVI Female - DVI Female - panel-mounting (Left Image)
48-641 ADAPTER DVI Female - DVI Female - in-line (Right Image)

DESCRIPTION

DVI-I 29 pin female
Gold flashed contacts
Nickel connector
Beige PVC housing
Screw type UNC4-40 Hex nuts

These fully populated DVI female to DVI female adapters are compatible with DVI-I single/dual link, DVI-D single/dual link and DVI-A male connectors. They have gold-plated pins and are wired straight through pin-to-pin.

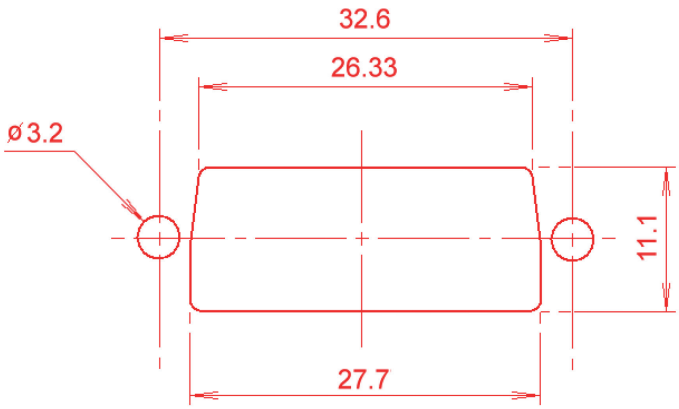

The panel-mounted type allow coupling of two DVI cables through a panel or bulkhead. These have mounting screws machined to enable them to be mounted in panels up to 1.5mm thickness, and for the connector to be fully mated and locked.

The in-line type allow coupling of two DVI cables, but are not suitable for panel mounting.

DIMENSIONS

All dimensions in mm
Max panel thickness 1.5mm
