

0.5m USB Type A to Lightning Cable, Black

No.: 31319

USB Type A Male to Lightning Male

Description

- Charge, sync or transfer data from your Apple device
- Compatible with iPhones, iPads and other Apple devices with Lightning connection
- Apple MFi-certified, uses the C89 Lightning connector
- Hi-speed data transfer up to 480Mbps
- 2 Year warranty

The USB Type A to Lightning cable is designed to connect Apple devices like iPhones, iPads and iPods to your computer or charger. This reversible cable allows charging and data sync as well as featuring MFi certification for maximum compatibility.

MFi Certified

This product has been certified under the Apple MFi programme. Made for iPhone/iPad/iPod logos communicate to customers that an electronic accessory has been designed to connect specifically to iPhone, iPad or iPod, and has been certified by the developer to meet Apple performance standards.
