SOLO W1

SUPERCARDIOID DYNAMIC CAPSULE FOR SHURE WIRELESS SYSTEMS

EAN code: 5060173281434

Product Highlights:

- **Wireless Freedom:** Designed for use with compatible Shure wireless transmitters, offering the flexibility of wireless performance without compromising sound quality.
- **Signature SOLO Sound:** Delivers the same clear, balanced tonal character as the Sontronics SOLO handheld microphone, helping vocals remain present, natural, and easy to mix.
- **Supercardioid Focus:** Supercardioid polar pattern provides excellent off-axis rejection, helping reduce stage spill and improve vocal clarity in live environments.

Recommended For:

- Live vocals
- Presentations
- Broadcast applications
